Definitive Map Modification Order Application

Parish: Burton Lazars & Great Dalby, Melton Mowbray **Grid Reference:** SK744162

Map of Path: Route applied for is shown in RED starting at the beginning of bridleway D94, Burton & Dalby continues north east along a track to end at Dalby Road, Melton Mowbray. The route is partly shown as an ORPA described as a track on the list of streets and on OS Maps and is not on the online Definitive Map. The application is for a bridleway however higher rights may exist for the original historic route, however the applicant recognizes the latter section of the route may have been diverted to the north of the disused airfield via the ORPA however no stopping up order or diversion could be found so this application has to follow the historical evidence.

Map produced from extract of Ordnance Survey 1:25,000 scale mapping. When printed on A4 paper, the scale will be not less than 1:25,000 and thus meets the requirement of regulation 2 and regulation 8(2) of The Wildlife and Countryside (Definitive Maps and Statements) Regulations 1993.
