1. Definition

- For all maintained schools and for those academies that are participate in the Local Authority's (LA) co-ordinated mid-term arrangements (see appendix 1 and 2). Leicestershire's School Admissions Service will process mid-term transfers from the Autumn Term 2021 as explained in this document.
- For schools and academies in appendix 1 and 2, you can either apply on paper using the Local Authority's paper common application see page 6 or you can request a form by calling 0116 305 6684 (if you cannot print the form), or online at [Apply to move school](#).

2. Introduction

- 2.1. From September 2021 the School Admissions Code 2021 requires all LAs to host all schools' Mid-Term (In-Year) Arrangements (but not special schools) within its area. The purpose of this document is to establish mechanisms for ensuring, as far as reasonably practical, that every parent of a child living within the LA understands how to apply for a school that they wish their child to attend.
- 2.2. The duty to comply with parental preference is not affected by the co-ordinated Mid-Term admission arrangements, except where more than one school place could be offered. Nor do these arrangements affect the rights and duties of governing bodies of own admitting authorities (OAA) i.e. academies, that are participating in LA's arrangements as detail at appendix 2. Academies not participating in the LA's arrangements and instead have their own set of arrangements are listed at appendix 3. For these academies they will set and apply their own Mid-Term admission arrangements.
- 2.3. Where an application arrives via the LA for an OAA that does not participate in the LA's co-ordinated scheme the LA will forward the application the OAA to swiftly process. For maintained and OAAs participating in the LA's arrangement it will be the LA that will process the application form.

Main obligations imposed by the regulations.

School Admissions Code (September) 2021.

- 2.4. The common application form must allow parents to express a preference for at least 3 School, which may be for schools within or beyond their home local authority area, and the reasons for their preferences. The best way to apply for school list in appendixes 1 and 2, is through the LA's [online application form](#).
- 2.5. Local authorities and admission authorities in the area must exchange information on the availability of vacancies in order to process applications quickly and to make decisions within dates specified in these arrangements.
- 2.6. Offers of places will be made swiftly by the LA for schools and academies participating in these arrangements. Schools and academies participating in the LA's arrangements must not contact parents about the outcome of their application until after an offer has been made by the local authority.
- 2.7. Parents who cannot be offered one of their preferred schools must, if there are places available, be informed of where places exist at other school(s).
- 2.8. While there is no requirement to co-ordinate fully across borders, it is good practice for local authorities to eliminate multiple offers of places across borders and many local authorities already co-ordinate in this way. Regulations provide that where a place can potentially be offered at schools in two or more local authority areas, and the local authorities concerned agree, only one offer of a place is made. Where they do so, schemes must specify which local authority will make the offer of a single place. However, it is still possible that some parents who have applied for schools within their own local authority and elsewhere may receive an offer from each local authority.
- 2.9. The arrangements must continue to ensure that places which become available are reallocated effectively.

3. Administration of the LA's Mid-Term Arrangements

NB¹ For all dates mentioned below, if the date is not a working/school day (depending on school holidays), then close of business is on the next working day applies.

- 3.1. Leicestershire's common mid-term co-ordinated admission application form invites those parents, resident in Leicestershire wishing to transfer part way through an academic year to name up to three preferred school(s) listed in appendix 1 and 2 only. The preferences parents make must name the school(s) in ranked order. Although parents rank their preferences, all preferences will be treated as equal by the LA when applying criteria. Ranking only applies when more than one school can be allocated as a means to decide which school should be offered, i.e. the parents highest ranking school will be offered.
- 3.2. Leicestershire residents who wish to apply for a school within the area of another local authority should apply direct to that LA using their processes. Non-Leicestershire residents who wish to apply for a place in Leicestershire should apply direct to Leicestershire if listed in appendix 1 and 2, or follow the

processes detailed in all other appendixes concerning applying to schools who intend to run their own arrangements.

- 3.3. Applications for VA, Academy, Studio, or Trust School that have their own arrangements in Leicestershire will be kept informed of applications and decisions. Any additional information (if required) will be requested directly by the LA. In addition, all academies are required (para 2.22) of the 2021 Code to communicate the availability of places to the LA (or parent if not participating in these arrangements) when requested (within 2 school days of the request). Once the admitting authority has made their decision, they will disclose their decision to the applicant and LA.
- 3.4. Leicestershire LA applies its own admissions criteria to requests for places to Leicestershire community, voluntary controlled schools and applies the individual academy's criteria if they participate in these arrangements.
- 3.5. Where a child qualifies for more than one offer of a place, the highest-ranking school expressed will be offered. If the application unsuccessful the parent will be informed of their right to appeal and to contact the LA about other schools that may have availability.
- 3.6. If Leicestershire is made aware that another LA will be making an offer of a place in a school which is higher up the parent's order of ranking than the school to be offered by Leicestershire LA, then Leicestershire LA will not make an offer for a place in a Leicestershire school.
- 3.7. If any Leicestershire child looks like remaining unplaced, Leicestershire considers how to place them in school within its area, having regard to any reasons expressed by the parent for their unsuccessful preferences.
- 3.8. For Year-7 applications received after 1 September 2022 and beyond (in the year of entry) these will be considered as mid-term applications. For schools where Leicestershire is the admitting authority and for those OAA academies participating in these arrangements it will maintain an oversubscription waiting list (OSL) for a minimum of the Autumn Term in the academic year of admission (until 31 December of each school in the year of admission), ranked in the same order as the published oversubscription criteria.

4. 'Mid-Term Arrangements Timetable (for participating Schools)

Notable timeframes identified below:

- Leicestershire will process all applications within 15 working or school days (depending on school holidays) from the date the application has been received by the LA for all schools participating in these arrangements.
- Leicestershire will offer places where possible on a daily basis by 4 pm, where this is not possible it will move to the next available offer date.
- Wherever possible Leicestershire will process an application within 15 working/school days (subject to Fair Access protocol).
