Public Notice on the Audit of the 2022/23 Accounts

The Accounts and Audit Regulations 2015 require the Council to publish its audited accounts and opinion by 30 September 2023.

The audit of the Statement of Accounts for the year ended 31 March 2023 has not yet been completed by the external auditors, Grant Thornton UK LLP. The delay has arisen due to resourcing challenges in the external audit team.

This has been reported to the Corporate Governance Committee and the Council is continuing to work closely with the audit team to complete this work.

Once the audit is concluded and the Auditor issues their final findings report, the Council will then publish a final set of accounts as soon as reasonably practicable.

Dated: 2 October 2023
