

NEMMDR - Melton Mowbray Distributor Road UPDATE December 2023

Our charitable support continues....

Our team have been busy delivering the project, however, we have taken the time to support the T4u Christmas "Love in a box" appeal.

We have helped provide a vital contribution for children across Eastern Europe who are less fortunate than ourselves at this time of year. Our employees have provided Christmas gifts that hopefully will provide a young child with a little something to open and enjoy this Christmas.

Children in Romania, Bosnia, Moldova, Georgia, and Ukraine will receive shoeboxes. Many of the children in Romania, Moldova and Georgia were Ukrainian refugees who had fled the conflict.

T4u Project Manager Joshua Murindwa quoted:

"Last year the charity delivered 62,574 shoeboxes with help from schools, businesses, and organisations like Galliford Try and the NEMMDR project team.

This year the community of Melton alone have so far donated over 1000 shoeboxes. With your fantastic support we are on track for another successful year, thank you so much for your contribution".

Community sponsorship for a great event...

We are delighted to have been invited to support this year's MBC "LETS GET MOVING" Melton Awards 2023.

The Let's Get Moving Melton Awards celebrates the fantastic achievements and dedication to sport, physical activity and health across Melton Borough. Good luck to all the entries.

Santa is coming to town...

The NEMMDR project delivery team are proud to sponsor and support this year's Melton Aurora Rotary Club's Santa Sleigh Collection.

Please do look out for him and his little helpers as they visit Melton throughout December.

We are excited and looking forward to meeting him and his helpers at our site office soon 😊

May we take this opportunity to wish you all a very Merry Christmas 2023.

Progress and upcoming works

Summary of work progressed or completed in November 2023

Work continues on Scalford Road with Severn Trent Water diversions and connections.

Bridge foundation works continue at Scalford Brook, Thorpe Brook and River Eye.

Road construction works ongoing at A606 Nottingham Road to Scalford Road.

Summary of planned and ongoing work for December 2023

Archaeological works, earthworks, drainage and service diversions works are ongoing.

Updated scheme photographs and drone footage available for you to view on this link [MMDR on Kuula](#)

There are no requirements for road closures throughout December, however, and to provide you with advanced notice, the A606 (South of Melton) Burton Road will be closed from 08th Jan 2024 from 06:00 to 28th January 23:59 to carry out service diversion works across the A606. Diversion routes will be clearly signposted.

Traffic from the North A46 & Nottingham heading South to Oakham/Stamford will be diverted via A46 > A52 > A1 > A606 for Stamford/Rutland and Oakham.

Traffic from the South heading North will be diverted via the A1 > A607 for Melton and A1 > A52 for Nottingham.

Traffic from Melton can use the diversion route via the A607 to the A1 to head South.

Note - A606 Nottingham Road in and out of Melton will remain open.

Please be aware that throughout the delivery of the project there will be a requirement for temporary two way traffic lights across the scheme as and when required. These operations include requirements for Severn Trent Water. For your own safety and that of our workforce please adhere to traffic light systems when operational.

Thank you for your co-operation
