

NEMMDR - Melton Mowbray Distributor Road UPDATE March 2024

Student work experience continues.....

Providing students with work experience is vital for their future aspirations and the construction industries skilled workforce requirements.

Work experience student Koby Connor wrote:

I've never been in a work environment before so didn't really know what to expect, but my time at Galliford Try certainly gave me a good idea of what I can look forward to in the future. On my first day I was provided with personal protective clothing and equipment and a full site safety induction. It was interesting to see the different aspects of work and being involved has helped me with my future decision making of what I'd like to do. During my time on the project I spoke to different people with different roles at Galliford Try. We discussed their individual career paths that they took after leaving school and how this could help my own journey in future. My experience with the project team has been fantastic and I would like to thank Galliford Try for giving me this opportunity.

Progress and upcoming works

Summary of work progressed or completed in February 2024.

- Installation of highways drainage work on Nottingham Rd ongoing.
- Access works at Sysonby Lodge on Nottingham Rd ongoing.
- Piling platform works at Scalford Brook and Thorpe brook completed.

Summary of planned and ongoing work for March 2024

- Archaeological works, earthworks, drainage and service diversions works across scheme ongoing.
- A606 Burton Rd offline new roundabout construction works ongoing .
- River Eye Piling works to commence.

Advanced Road Closure Notification A606 Nottingham Rd / St Bartholomew's way

The A606 Nottingham Road and St Bartholomew's Way will be closed from 06:00 Saturday 23rd March 2024 until 19:00 Sunday 24th March 2024, at which point we will reopen the A606 Nottingham Road. We will still be working on **St Bartholomew's Way**, which will remain closed until 18:00 Thursday 28th March 2024.

Please be aware that, as a contingency measure, it may be necessary to complete any outstanding works on St Bartholomew's Way between Tuesday 2nd April 2024 and Friday 5th April.

During the closures, there will be **no pedestrian access on Nottingham Road into St Bartholomew's Way**. There will be a signed diversion along the footpath on Winchester & Canterbury Drive during these works. Further specific information regarding this closure including diversion routes will be uploaded shortly at:

<https://www.leicestershire.gov.uk/roads-and-travel/road-projects/north-and-east-melton-mowbray-distributor-road-scheme/construction-updates-and-road-works>

Once you have logged in please look at the forthcoming road closure section for detail.

Updated scheme photographs and drone footage is available for you to view on this link [MMDR on Kuula](#)

Please be aware that throughout the delivery of the project there will be a requirement for temporary two way traffic lights across the scheme as and when required. These operations include requirements for Severn Trent Water. For your own safety and that of our workforce please adhere to traffic light systems when operational. **Thank you for your co-operation.**
