Dear Mr Dean

**The Leicestershire County Council (A511 Growth Corridor) (Side Roads) Order 2023 and The
Leicestershire County Council (A511 Growth Corridor) Compulsory Purchase Order 2023**

I am Director of Environment and Transport for Leicestershire County Council (the **Council**). The Council is promoting the Leicestershire County Council (A511 Growth Corridor) (Side Roads) Order 2023 and the Leicestershire County Council (A511 Growth Corridor) Compulsory Purchase Order 2023 (the **CPO**).

This letter is to confirm in writing assurances given verbally at the public inquiry which opened on 11 June 2024, as to the Council's intention about land owned by [REDACTED] (Objector OBJ7) included within the CPO. The CPO includes two plots which are owned by [REDACTED], Plots 018 and 019.

Following a detailed examination of the Scheme design considering [REDACTED] objection, at the opening of the inquiry the Council confirmed it will propose a modification to the CPO to remove Plot 019. A formal modification is being prepared in this regard.

In respect of Plot 18 (which is 50.3 square metres as set out in the CPO Schedule), the Council requires the whole of this plot for construction and operation of the Scheme. Some of this plot will only be required during construction of the Scheme for working area.

I can confirm that the Council will offer back to [REDACTED] the land forming part of Plot 018 that is not required permanently for the Scheme as soon as it is able to, on completion of construction of the relevant part of the Scheme within the vicinity of [REDACTED] property.

Yours sincerely

[REDACTED]
