Winter opening hours: 1 October - 31 March; 9am - 4pm*

Summer opening hours: 1 April - 30 September;

Saturday/Sunday/Monday; 9am - 5pm*

Tuesday to Friday; 9am - 7pm*

Check the website before setting out to a recycling and household waste site: www.leicestershire.gov.uk/waste

(*on days when sites are open)

Physical or verbal abuse of site staff will not be tolerated. Appropriate action will be taken against offenders. Body worn cameras and CCTV are in operation at the sites.

Sites are provided for householders to deposit their own household waste only. Depositing or attempting to deposit trade waste at a recycling and household waste site is an offence.

Suitable footwear and gloves should be worn to assist in safe handling of your waste. Please ensure you can unload your waste yourself, as we cannot guarantee that physical assistance can be provided by site staff.

Site users must keep children and pets in vehicles at all times and be alert and aware of other vehicles and pedestrians on the site.

Please ensure batteries and electrical items are placed in the correct containers on site.
