YOU'RE IN SAFE HANDS

We know our programmes and partnership plan works.

We've collaborated with employers to identify Early Years skills gaps and have delivered training to support these companies to grow.

We will make it our mission to support you in gaining employment within the sector so you can utilise and hone in on your new skills.

We've extensive experience delivering a range of Early Years and Childcare programmes such as:

Level 2 Early Years Practitioner

Level 3 Early Years Educator

Level 5 Early Years Lead Practitioner

We will utilise the knowledge and experience gained through service delivery, to provide tailored training that will support your growth within this sector, and we pride ourselves on our lifelong learning approach, meaning we will be with you every step of the way.

SAFEGUARDING & FIRST AID

Our Early Years Education Essential Skills Bootcamp also comprises of two dedicated modules that form an important part of the bootcamp and upon completion, **both modules will award their own certificates.**

The safeguarding module that is delivered in week 1 is a 6-hour, TQUK accredited topic and will comprise of units such as child protection, legislation, policies and procedures, and signs of abuse.

The paediatric first aid module is a blended delivery approach, which will involve an online, 6-hour e-learning module as well as a 6-hour face to face component that is delivered by our sister company, First Response First Aid (FRFA).
