

## **North and East Melton Mowbray Distributor Road**

### **Melton Spinney Road Closure 27<sup>th</sup> January to 13<sup>th</sup> April 2025**

January 2025

Dear Neighbour,

As you may be aware, Galliford Try are working with Leicestershire County Council to deliver the construction of the NEMMDR project. We would like to take this opportunity to provide you with advanced notice of the planned road closure of Melton Spinney Road and apologise for any inconvenience caused.

#### **Why is the closure required?**

A full road closure is required to safely complete the new roundabout construction works as part of the NEMMDR project. Due to the nature of the work being undertaken at this location work cannot be carried out using a partial lane closure. The works include removal of the existing carriageway and reconstruction to a new alignment with service trenches and excavations across the full length of the carriageway. We anticipate this closure will enable us to complete the new roundabout without the need for further closures. However, should any final works be required such as the installation of signage, lighting columns and roadside works, there may be a requirement to complete these elements under temporary 2-way traffic lights.

#### **Closure Details**

The closure will be in place from **6:00am on Monday 27<sup>th</sup> January until 11:59 pm on Sunday 13<sup>th</sup> April 2025**. The closure has been planned and programmed to make use of the school half term holidays to minimise disruption.

Please be aware access will be restricted for all traffic through the closure point, this includes no access for pedestrians and cyclists.

The road will reopen on the Monday 14<sup>th</sup> April . Please take care and be aware that the road layout will have changed.

### **Diversion Routes**

**If you are travelling from Melton please follow the signposted diversion route to Scalford village & Twinlakes via Scalford Road.**

**If you are travelling from Scalford please follow the signposted diversion route to Melton via Scalford Road.**

**To help minimise congestion and to keep traffic flowing during the closure there will be a temporary one way system in place through Scalford Village.**

**Please note: Access for residential properties will be maintained at all times.  
Access for Twinlakes theme park will be signposted and available throughout the closure period.**

**If you would like more detail and specific information about the project including diversion routes and what additional measures we have in place please visit the project website at:
