Resident / Neighbour to the Zouch Bridge replacement scheme

Dear Resident / Neighbour to Zouch Bridge,

### **Replacement of Zouch Bridge A6006 over River Soar**

#### **Overnight road closures**

Scheduled for the 25<sup>th</sup> & 26<sup>th</sup> June 2025, the steelwork sections of the bridge will be delivered to site. Shipped from Belgium, these are being transported in 6 deliveries, with a police escort on the A6006, from the junction to the site compound.

This will necessitate **temporary road closures overnight**. These have been granted on Zouch Road, Hathern between the junction with Derby Road and Zouch Bridge. There will be a signed diversion route, during the hours of 6pm-6am on both nights.

The reason the road needs to be closed during this time is because the transport vehicles must reverse onto site as they are too large to turn. They will be parked on the incoming road for a period until received onto our site compound.

Emergency access will be maintained for the whole duration of the closures.

There will be traffic marshals on duty overnight in case any residents who need direct access onto the road need to access / exit during these hours, but please note this will not be possible whilst the transport vehicles are moving. The police will be in attendance at the A6 junction.

We apologise for any inconvenience caused and thank you for your patience while we continue to work on this historic bridge replacement.

If you have any questions, please contact [ZouchBridgeEnquiries@ericwright.co.uk](mailto:ZouchBridgeEnquiries@ericwright.co.uk)

Best wishes,

**Lesley Davison**  
Public Liason Officer
