

YAD Locality Group Christmas Event

FEEDBACK

The YAD (Young Adults with Disabilities) held their Christmas Event on 23rd December 2025 at The Trees in Hinckley.

We had six young people attend, some with their parents. There were several members of staff from the YAD Team and Anne Goodwin.

We did provide refreshments and crafting facilities. I wanted the young people to feel comfortable to be able to interact with each other.

One comment received:

‘did you enjoy yourself "that although noise level and having to do people and socialising he was comfortable in the room with the people as they were like minded and understanding"’
