

Environment and Transport Department – Waste Transfer Management

This notice is to tell you about why we need your information and how we will handle it. This notice is for: Environment and Transport Department – Waste Transfer Management.

What Information do we need from you?

We need to know the following about you: name, address, post code, email address, telephone number and registration plate.

Why do we need this?

We need this information so that we can manage the transfer of waste materials as part of the environmental permit and street works permit.

Why are we allowed to process your information?

Data protection law allows us to process your information within certain conditions. In this case we are using compliance with a legal obligation as the lawful condition for us to do this.

Who will we share this with?

Sometimes we need to share your information with others. We will only do this when it is necessary in order to offer you this service, or if we are required to do so by law. Sometimes we need to share your information with others. When it is necessary, we may disclose your personal information to the following organisations: Internal teams where there is a business need, The Environment Agency and the Department for Transport via Streetmanager.

How will we keep it secure?

We will take all reasonable steps to prevent the loss, misuse or alteration of your personal information. Only the people who need to see your personal information will be allowed access to it. We will not send your information outside of Europe.

How long will we keep it for?

We will only keep this information for as long as necessary or as the law requires. For this service we will keep the details on the household waste permits for a period of seven years.

What if something changes?

If the information you provided changes or your circumstances change please contact etdataprotection@leics.gov.uk. If we need to change something like who we want to share this information with, we will contact you to let you know.
