

## LEICESTERSHIRE COUNTY COUNCIL

### FULL PROPOSAL TO ENLARGE THE PREMISES AND INCREASE THE CAPACITY OF COALVILLE ALL SAINTS CHURCH OF ENGLAND PRIMARY SCHOOL (PHASE 1)

Notice is hereby given in accordance with the Education and Inspections Act 2006 and The School Organisation (Prescribed Alternations)(England) Regulations 2013 that Leicestershire County Council proposes to enlarge the premises and increase the capacity of All Saints Church of England Primary School from 210 to 315 pupil places.

1. Name, address and contact details of proposer

Leicestershire County Council, School Organisation Service, Children and Family Services, County Hall, Glenfield, Leicester LE3 8RF  
Tel: 0116 3050970  
Email: [Alison.Stanley@leics.gov.uk](mailto:Alison.Stanley@leics.gov.uk)

2. Name, address and category of school

All Saints Church of England Primary School, Ashby Road, Coalville, Leicestershire LE67 3LB.  
A Voluntary Controlled School.

3. Description of alteration and evidence of demand

An expansion of the school which will increase its capacity from a 210 place school to a 315 place school, with the school's published admission number increasing from 30 to 45 pupils per year group. It is proposed that this will have effect from Thursday, 25<sup>th</sup> August 2016.

The additional numbers will be accommodated within an extension to the school which includes 3 additional classrooms, a Studio and internal alterations to existing Foundation classrooms and staffroom. Additional parking facilities will also be provided.

There are currently 224 pupils on roll at the school. This figure is forecast to increase to 315 within the next 4 years due to the increased birth rate and therefore the number of pupils who will be living within the catchment area.

In addition, due to new housing developments within the school catchment area, it is forecast that this figure will further increase to 405 within the same period.

4. Objectives

Leicestershire County Council proposes to increase the permanent capacity of All Saints Church of England Primary School to meet the demand for school places in the area, both at the current time and in the future.

The proposals will allow the school to provide additional classes to cope with the increasing

demand arising from the increasing birth rate and number of new housing developments within the school catchment area.

The project fulfils Leicestershire County Council's statutory obligation of providing sufficient school places and ensuring pupils are able to attend their local primary school. The changes will also allow schools to improve educational standards and ensure parental choice is maintained through the additional places.

5. The effect on other schools, academies and educational establishments within the area

It is not anticipated that there will be an effect on other schools, academies and educational establishments within the area. The majority of schools within 2 miles of All Saints Church of England Primary School are full and by providing additional accommodation at All Saints Church of England Primary School we will reduce the likelihood of schools within the area having to exceed their admission number.

6. Project costs and indication of how these will be met, including how long term value for money will be achieved

The project to increase the capacity at All Saints Church of England Primary School from 210 to 315 will cost £1.7million. The project is funded from S106 developer contributions and the Basic Need Capital Programme for 2015/16.

Long term value for money will be achieved by ensuring value for money building and that the work done will be built to appropriate building and DfE requirements to ensure it can be used long term.

7. Implementation and any proposed stages for implementation

It is proposed that the school will increase in capacity from a 210 place school to a 315 place school. In line with this the school's published admission number will increase from 30 to 45 pupils per year group with effect from Thursday, 25<sup>th</sup> August 2016.

The new school accommodation was completed in Sept 2015 and the internal works completed October 2015. This has allowed the school to exceed their published admission number of 30 per year group with effect from 1<sup>st</sup> September 2015 which has assisted the school in coping with increased pupil numbers within the catchment area. The admission number for 2015/16 had previously been published at 30.

The increase in capacity from 210 to 315 is Phase 1 of a two phase expansion. It is anticipated that a second phase will be proposed to increase the school in size from a 315 place school to a 420 place school within the next 4 years, but is dependent upon the rate at which new homes are built and occupied. This would be subject to a further statutory notice at that time.

Within four weeks from the date of publication of this proposal, any interested party may support, object to, or make comment upon the proposal by sending them to School Organisation Service, Children and Family Services, County Hall, Glenfield, Leicester LE3 8RF or by email to [Alison.Stanley@leics.gov.uk](mailto:Alison.Stanley@leics.gov.uk)

The closing date for comments and objections is Tuesday, 5<sup>th</sup> July 2016.
