

Site rules

1. Site users must follow the instructions of the site operators at **all** times.
2. **Household waste** is accepted only during the advertised times on the advertised open days.
3. **Trade waste is not** accepted at this Site at any time.

Depositing or attempting to deposit such waste is an offence.

4. All waste shall be deposited in the areas or containers designated for that particular type of waste or as directed by site staff. If in doubt, site users should seek the advice of site staff.

Depositing waste otherwise than as described above is an offence.

5. You are advised that suitable footwear should be worn whilst using the site.
6. Site users must keep children and pets in cars at all times and be alert and aware of other vehicles and pedestrians on the site.
7. Site staff are happy to assist Leicestershire residents to recycle their waste.
8. Site staff are not permitted to remove heavy or excessive waste from vehicles or trailers.
9. Physical or verbal abuse of site staff will not be tolerated. Appropriate action will be taken against offenders.

Site users are advised to ensure that the removal of waste from a vehicle or trailer is within the capability of the vehicle's own occupants before visiting the site.
