Welcome

On behalf of Leicestershire County Council, I am pleased to welcome parents, carers and children to this year's Your Guide to Primary Education for entry September 2017, and general admissions throughout the academic year 2017-18.

The first time admissions outcomes for this year have been extremely pleasing. The Local Authority was able to secure preferred schools for over 97% of Leicestershire parents and carers, with 91% getting their first choice of school. Added to this the highest ever percentage of parents and carers, 96.1%, applied online.

With this in mind I would like to invite parents and carers of children seeking first time admissions from September 2017 to start considering which school they would like their child to attend. It is important to understand that you must apply and that there is a closing date. The application process for primary school - first time admissions begins from 1st June 2016 and closes 15th January 2017, and the recommended way to apply is through Leicestershire’s online application system.

There are a few key steps to make the process more straightforward that I would like to advise parents and carers of, and would urge that you consider these carefully, these are:

- To read this booklet and understand what you need to do;
- That you visit schools on open days before making you final decision;
- Consider how you will get your child to and from school;
- That the best way to apply is online;
- That you must apply by the closing date 15th January 2017.

Applications received after the closing date must be marked as late and will have the lowest priority. In addition, to avoid the disappointment of not securing a local school, it is always recommended that you place your catchment school as one of your preferences.

If you have any questions we are here to help, and the quickest way to contact us is through our customer service agents on 0116 305 6684, who will be more than happy to speak with you.

Finally, may I wish your child every success in their future education.

Yours sincerely

Paul Meredith

General Introduction

The purpose of this booklet is to give parents and guardians a detailed explanation about primary education provision in Leicestershire.

Leicestershire County Council makes sure that, in the county as a whole, there are enough full time school places for all children from the age of 4 onwards.

Areas covered are:

- Pre-school
- How to apply online for a primary school place as a first time admission
- How to transfer from infant to junior school
- How to apply part way through the academic year across any primary age group (also known as a ‘mid term’ transfer).

Leicestershire County Council has only one nursery school. All other nurseries are independent, even those that occupy sites close to, or on school sites. Admission to all nurseries is by application direct to the nursery.

First Time Admissions (FTAs) for all children are from the autumn term after the child has turned four years old. Admission to mainstream school is by application to the Local Authority (LA) in which you live. The closing date for FTA and infant to junior transfers for entry September 2017 is 15th January 2017.

Community, Trust, Faith, Academy, Free School, and Studio Schools.

The majority of primary schools in Leicestershire are community schools with the Local Authority being the admitting Authority. For Foundation, Trust, Faith, Academy, Free and Studio Schools the LA is not the admitting authority but the school themselves.

In addition, a number of academies both primary and secondary have this year applied successfully to extend their age range.

All applications should be made online through the LA. For community schools the admissions criteria used is on page 8. For all others please see the particular school’s admission criteria on the school’s website.

Key points you should make a note of are:

- There is no automatic entry to your local school. You are required to complete an admission application
- To ensure that you are making the right preference for your child it is strongly recommended that you contact the school to arrange a visit before making an application
- All applications are considered in accordance with the priority criteria
- On time applications will always be dealt with first
- National offer for all Primary admissions is: 18th April 2017 (or next available working day).
- Leicestershire County Council operates an ONLINE application system that we advise you use www.leicestershire.gov.uk/admissions
- Closing date for return of all FTA applications and infant to junior transfers is: 15th January 2017
- There are Leicestershire Schools that have moved away from the Local Authority admissions policy and criteria. Parents are strongly advised to check the schools’ own policy
- YOU MUST APPLY FOR THE SCHOOL YOU WISH YOUR CHILD TO ATTEND, THIS INCLUDES YOUR CATCHMENT AREA SCHOOL.

If at any stage you need to talk to someone about any aspect of a transfer process you can either contact your current school or School Admissions Service on: 0116 305 6684.
Starting School

The law states that every child of compulsory school age must receive a full time education suitable to their age, ability aptitude and any special needs he or she may have. Most parents fulfil this legal responsibility by sending their children to school but a small minority of parents educate their children at home. This is known as Elective Home Education. For further information email homeeducation@leics.gov.uk or telephone 0116 305 2071.

Whilst it is a legal option, it is not a decision to be taken lightly. Education in this way makes demands on a family’s time and patience, as well as their finances: all cost for materials, trips and social contact must be borne by the family.

In Leicestershire, primary and infant schools will be offering a school place for a child of four years of age from the autumn term following their fourth birthday. However, statutory school age is from the first term after your child’s fifth birthday.

How is primary sector schooling organised?

Deferred or Part-time starts

When a child’s parents are notified of the allocation of a primary school place, they may request deferment of the child’s admission to later in the school year, (start of the Summer Term) or until the start of the term following their fifth birthday in that year i.e. compulsory school age. If the place is not taken up, parent must then reapply for a place in Year 1. Similarly, parents may wish to start their child on a part-time basis until compulsory school age. This is normally agreed directly with the school concerned.

If the place is not taken-up on a fulltime basis following compulsory school age, the place may be withdrawn and offered to another child.

Delayed start, Early Transfers or Starts, and Remaining on in the same year requests

Parents may request delayed entry for their child to start school in the year below their actual chronological year. There is a formal process to consider such requests and parents would be expected to provide evidence (supporting documentation from lead professionals where possible) to show that admission to Reception is in the child’s best interests. This will then be taken into consideration by a panel of professionals.

Parents will still be required to make an application for their child’s admission to their normal age group at the usual time, and attend open days or taster days; in case the request for a delayed start is refused. It is important parents understand that if the request is agreed, it does guarantee a place a year later, it only means that parents will be allowed to apply a year later for a place. If unsuccessful, parent’s statutory right to appeal against the refusal of a place at a school, does not apply if they are offered a place at the school but it is not their preferred age group.
Where parents wish to seek advanced transfers or accelerated starts (i.e. gifted and talented) or wish to repeat the year, the decision will be made on the basis of the circumstances of each case and in the best interests of the child concerned.

Examples of key areas considered before a decision is made may be:

- **Medical**
  i.e. significantly premature, have missed a significant proportion of the school year due to medical illness

- **Psychological (Social)**
  i.e. a recognised diagnosed disorder

- **Physical**
  i.e. a diagnosed disability

*(This is not an exhaustive list or set of criteria)*

**Applying for your Child’s School Place**

**Entry September 2017 and transfer from Infant to Junior in September 2017**

and for mid-term entry during academic year 2017-18

You may have visited a number of schools and decided on one you think is best for your child. You will then need to apply online at [www.leicestershire.gov.uk/admissions](http://www.leicestershire.gov.uk/admissions)

Applying online has many benefits:

**IMPORTANT NOTE:** For First Time Admissions and Infant to Junior Transfers it is important that you write down your username and password as you will need these to access your decision on the 18th April 2017. If you cannot remember your username or password you can be sent a reminder by entering your application reference number (this is sent to you immediately by e-mail).

You also need your username and password if you wish to amend any aspect of your application prior to the decision being made.

**If you cannot remember your details you will not be able to view the decision.**

We always encourage parents to include their catchment area school as one of their preferences.

An application for a First Time Admission place in a primary school must be made to the LA where you live, e.g. if you live within Leicester City, you must complete their application form for primary school places. This is the case even if you wish to apply for a school in Leicestershire. Infant to Junior decision dates may be different for other local authorities. Please check with the school's LA to find out when their Infant to Junior decision date is.

If you are resident in Leicestershire you will need to complete the Leicestershire application form. You can do this online at [www.leicestershire.gov.uk/admissions](http://www.leicestershire.gov.uk/admissions) and can express up to three preferences. This could include a request for a place in your catchment area school, any Leicestershire community school, academy or free school, any voluntary aided, foundation or trust school or any school within another authority. This does not include private or independent schools.

Even though all preferences are treated equally, we always aim to meet your highest preference, and therefore request that preferences are made in rank order.

Applications must be made by 15th January 2017 for a school place when your child is due to start school for the first time in 2017 or moving from infant to junior school in 2017. **If you fail to name your catchment area school as one of your preferences a place will not automatically be offered at that school if all your other preferences are unsuccessful. This is because by then your catchment school may have been filled.**

If you wish to change your child’s school during the school year (mid term transfer) you must apply to Leicestershire County Council:
Your Guide to Primary Education 2017-2018

Applying for a School Place

If you are applying for a school within Leicestershire’s geographical boundary
If you are resident in Leicestershire and are applying for a school outside of Leicestershire
If you are applying for a place in an academy or other own admission authority school.

To accelerate the processing of your form when applying for a voluntary aided faith school it is advisable you also complete the school’s supplementary form and submit this direct to the school you wish to apply for (a paper version is available from the school).

The LA will aim to process all mid term transfer applications within fifteen working days wherever possible, and will write to you to inform you of the outcome of your application. If you are successful we will write to you to inform you of what steps to take next.

If you are unsuccessful you have the right to appeal. You appeal to the admitting authority responsible for the school.

While a mid term application is being processed you must ensure your child continues attending their current school, unless this is physically impossible (e.g. move from Cornwall).

For more information regarding mid term transfers, please see www.leicestershire.gov.uk/admissions

If you have a query about the catchment school for your particular area, please contact our Customer Service Centre on 0116 305 6684.

Co-ordination of First-Time Admission/Infant-Junior transfer

There are different arrangements for Church of England, Roman Catholic aided, foundation, trust, academies and free schools. Enquiries concerning these schools should be made direct to the Headteacher. Admissions to these schools are the responsibility of the Governors, but, an application for a place must be made on the Local Authority FTA/Junior transfer form you obtain from the relevant local authority. There is a requirement for all schools in Leicestershire to co-ordinate school admissions for first-time admission and infant-junior transfer through the Local Authority. For those schools who are own admission authority schools please refer to section School Admission Policies for own admission schools.

Things to consider before applying:

- Each school caters as far as possible for the needs of the families in its neighbourhood. When your child starts primary school you must apply for a school place. Normally the Children and Family Services wishes to offer a place to every child living in a school’s catchment area, but, this may not always be possible for infants (4+ to 7 year olds) as there is an infant class size limit of 30 children per teacher. The Headteacher of the school will be pleased to discuss your child’s admission or you can get advice from the School Admissions Service, County Hall, Tel: 0116 305 6684
- Consider how your child will get to and from school. Find out from the Transport Department on 0116 305 0002 whether you may have to pay for transport
- Visit schools when the pupils are there if you can, and read the school brochures/prospectus
- Take into account your child’s wishes
- Do not rely purely on someone else’s opinion or experience.

N.B. Be aware that a place in a primary school does not guarantee a place in its linked secondary school and that a place in a high school does not guarantee a place in its linked upper school.

You can get advice from the School Admissions Service on telephone: 0116 305 6684 or email admissions@leics.gov.uk Please telephone in advance to arrange such a meeting. You can also apply online at: www.leicestershire.gov.uk/admissions
We always advise parents to include their catchment area school as one of their preferences. If you fail to name your catchment area school as one of your preferences a place will not automatically be offered at that school if all your other preferences are unsuccessful. This is because by then your catchment school may have been filled.

Information about admissions policies for voluntary aided, foundation, academies, free schools and trust schools is available direct from the school and is also contained later in this booklet.

**How will I receive my offer of a school place for First Time Admissions and Infant to Junior Transfers?**

If you have applied online you will get an email confirming that your offer of a school place is ready to be viewed online the same day decisions are made on 18th April 2017. You can then log in with your username, password and application reference number for an instant result. If your application is turned down you will get an online response and a letter via the post.

If you have applied via a paper application form, your offer of a school place will be posted out to you from 18th April 2017 by 2nd class post. You should allow 5 working days for receipt of your letter. Infant to Junior decision dates may be different for other local authorities. Please check with the school's LA to find out when their Infant to Junior decision date is.

**Note:** If the national offer date falls at a weekend or bank holiday, you will be notified the next working day.

You will receive an offer of one place only. This will be the school highest on your order of priority where there are places available. Leicestershire will work in coordination with other admission authorities where you may have applied for a place, e.g. Aided schools and schools within other local authorities, to finalise which place will be offered. If we cannot agree to any of your preferences, you will be asked to contact us to discuss alternative schools where there are places.

**Late Requests**
Applications received after the closing date and before the offer date, without proof that the lateness of the application was beyond your control, will receive the lowest priority, and be classed as late.

Applications received after the offer date will be considered as late.

If the lateness of your application is owing to the family returning from abroad, then the application must be made within a reasonable time of arrival back in the UK.

**Oversubscription List (OSL)**
The OSL ranks children in priority criteria order. If a place becomes available the child at the top of the list will be offered the place. The LA will maintain the OSL for the autumn term only for the following year groups:

- Reception (Community schools only)
- Year 3 (Community junior schools only)
- VA, Trust, Academies, Free Schools and Foundation Schools maintain their own. Some of these schools opt for the LA to maintain their OSL (you will need to contact these schools directly to enquire where you child is on their OSL).

**How is the OSL operated?**
Application to go on the OSL is automatic when a child is refused a place in school. If a place becomes available, it will be offered to the pupil who is at the top of the list.
The OSL is a dynamic list in that names may move up or down if a new application received has a higher priority than yours.

**Priority criteria for entry Autumn 2017 and mid term applications during 2017 / 2018 academic year to Community Schools and those academies that have adopted the LA’s criteria**

Academies are free to set their own admissions policies. Please check the schools own website for their admissions criteria. All maintained schools and some academies will follow the LA criteria below.

For all children whose Education Health and Care Plan (EHCP) names a school in their statement, they must be admitted regardless of the criteria below.

If there are too many requests for community schools, priority will be given to children in the appropriate age-range, whose parents applied on time, in the following order (see note i below):

<table>
<thead>
<tr>
<th>Priority</th>
<th>Criteria</th>
</tr>
</thead>
<tbody>
<tr>
<td>1st</td>

</tr>
<tr>
<td>5th</td>
<td>Pupils who will have attended a feeder school for at least two years before the time of transfer. (See note vii).</td>
</tr>
</tbody>
</table>
| 6th | Pupils starting at an infant school with a sibling attending at the same time in the linked junior school. (See note iv).  
or  
Pupils transferring to high school who will have an older brother or sister attending the linked upper school at the same time. (See note iv). |
| 7th | Pupils basing their application on religious belief. (See note viii). |
| 8th | Pupils living nearest to the school measured in a straight line distance (home to school front gate). (See note ix). |
Notes:

i. Combinations of the above criteria are used where appropriate, in priority order.

ii. A ‘looked after child’ is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order 19 or special guardianship order). In such circumstances a letter from the last local authority in which the child was in the care of will be required.

iii. The child’s place of residence is taken to be the parental home where they spend the majority of the school week. Living in the catchment area does not guarantee you a place at your catchment school.

iv. The term “half or step brother or sister” includes half brother or sister or legally adopted child being regarded as the brother or sister.

v. Regarding brothers or sisters who will be of sixth form age, these are counted as brother/sister connections for criteria 3 or 6 above.

vi. If criteria 4 is used, professional supporting documentation from the Lead Professional must be supplied and must be submitted with the application. The following list are the areas that are considered exceptional:

- Crown Servants
- Children in the care of an LA
- Children subject to Child Protection Plans
- Hard to Place children – who fall under the Fair Access Protocol
- Parents suffering domestic violence. (This is dependent on documentary evidence by a Lead Professional)
- A child for whom transfer to the catchment area school would involve attending a different school until he/she is the right age for transfer. (This is dependent on the child having attended the present school for at least a year)

Each case will be assessed on its individual merits.

vii. For criteria 5 above, the child must have been enrolled at the feeder school on or before the start date of the autumn term two years before transfer.

viii. For criteria 7 above, a letter of support from your Minister or Religious Leader will be required explaining how the school caters for your faith.

For schools listed below a Minister’s letter is required to support the parent’s application that verifies children are from a church going family, for example, who have attended a Christian place of worship at least once a month for a year prior to application;
This criterion only applies to the following CE VC schools:

<table>
<thead>
<tr>
<th>Blaby Stokes C of E Primary</th>
<th>Broughton Orchard C of E Primary</th>
<th>Castle Donington St Edward’s C of E Primary</th>
<th>Coalville All Saints C of E Primary</th>
<th>Cossington C of E Primary</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fleckney C of E Primary</td>
<td>Hinckley St Mary’s C of E Primary</td>
<td>Husbands Bosworth C of E Primary</td>
<td>Ilstock St Denys C of E Infant</td>
<td>Long Whatton C of E Primary</td>
</tr>
<tr>
<td>Measham C of E Primary</td>
<td>Quorn St Bartholomew’s C of E Primary</td>
<td>Swannington C of E Primary</td>
<td>Swithland St Leonard’s C of E Primary</td>
<td></td>
</tr>
</tbody>
</table>

ix. For Criterion 8 above, measurement of distance is in a straight line from the centre point of the property to the school’s main designated front gate, using a computerised mapping system (Geocoding). Where there is equal distance then lots will be drawn, supervised by an independent officer.

Please note that late applications receive the lowest priority.

Applying for a school place at other times (mid-term applications)

In year co-ordination for mid-term transfer

For Leicestershire residents applications should be made using the LA’s mid term application form, available online: www.leicestershire.gov.uk/admissions or by completing a paper version available from the School Admissions Service Tel: 0116 305 6684.

Those parents living outside of Leicestershire who wish to apply for a Leicestershire school are encouraged to apply through the Local Authority where they live, unless your move to Leicestershire is imminent, or because the Local Authority in which you live is not co-ordinating. In which case apply direct to Leicestershire at www.leicestershire.gov.uk/admissions.

To accelerate the processing of your form when applying for an own admission authority school, it is advisable you also complete the school’s supplementary form (see links from www.leicestershire.gov.uk ) and submit this direct to the school you wish to apply for (a paper version is available from the school).

The LA will aim to process all mid term applications within fifteen working days wherever possible, and will write to you to inform you of the outcome of your application. If you are successful the letter will inform you of what steps to take next.

If you are unsuccessful you have the right to appeal. You appeal to the admitting authority responsible for the school.

While a mid term application is being processed you must ensure your child continues attending their current school unless this is physically impossible (e.g. move from Cornwall).

When moving areas

Requests for in catchment movement will only be agreed if there are spaces available or the conditions in 13.33 and 13.44 of the 2017 admissions policy are met. Own admissions authority schools may differ. For more information please contact the School Admissions Service on 0116 305 6684.
Points to consider when changing schools during term time:

- If you are considering changing schools it is important that you discuss the move with your child's current school before completing an application form. In certain instances it may not be in the best interests of your child to change schools.
- If your child has difficulties with staff or other pupils, or if your relationship with the school or another parent has broken down, the solution may not be to change your child's school. It is advised that you talk about the issues with the current school before you decide to change your child's school.
- Have you considered how you will get your child to the new school?
- Have you considered the negative impact in preparing for examinations for your child in Year 6?
- The current school may have built in extra support and good working relationships with your child that could be lost if you move your child.
- The general disruption and lack of continuity of learning may result in your child finding it difficult to catch up.
- Consider the loss of friendship groups. This especially affects younger children.

The appeals procedure

In relation to school appeals the LA, through the County Council’s Legal Services, conduct the appeals process for community schools. Foundation, Trust, Faith, Academy, Free Schools, and Studio Schools in some instances, engage the services of the LA to run their appeals. However most run their own appeals processes.

If you decide to appeal, you must have applied and been refused a school place before you can appeal. You will need to contact the School Admissions Service to request a Notice of Appeal form, or you can download a form from www.leicestershire.gov.uk/appeal-against-a-school-decision These must be returned by the closing date to the County Solicitor.

The County Solicitor will let you know when the appeal will be heard.

You may attend the appeal hearing yourself, or with a friend if you wish. You may ask a representative to speak for you or you can send a written statement.

Your case will be considered by the Appeals Committee which is independent of the Children and Family Services.

Please note that repeat appeals in the same academic year will not be allowed unless there has been a significant change in your circumstances, e.g. a house move. In appeals for places in infant classes that already have 30 children, the panel can only allow the parent’s appeal if the Local Authority has made an error or acted unreasonably.

**Elective Home Education**

The Local Authority has a duty to make enquiries to determine that all children and young people who are home educated are receiving a full time education suitable to their age, ability, aptitude, and any special educational needs they may have. To fulfil this duty, officers will make arrangements to meet families to discuss the educational provision in place for their child/children.

For further information email homeeducation@leics.gov.uk or telephone 0116 305 2071.

**Children Missing Education**

The Local Authority has put in place rigorous arrangements for identifying and maintaining contact with children missing, or at risk of going missing, from education.

The named officer responsible for receiving details of children who are missing from education, and for brokering support for them through the most appropriate agencies is:

JoAnne Rees, Pupil Services Manager, School Admissions and Pupil Services,
County Hall, Glenfield, Leicester LE3 8RF. Tel: 0116 305 2071, email: cme@leics.gov.uk

The process of tracking pupils without an educational placement is part of our collective responsibility and ongoing commitment to safeguarding the welfare of young people.

It is vital that anyone who becomes aware that a child is not, or does not appear to be in education, notifies the named person without delay.

**Pupil Services Court Team**

The Pupil Services Court Team have statutory powers to take legal action and, where appropriate, to prosecute parents and carers if they fail to ensure that their child receives a suitable education.

For further information email pupilservicescourtteam@leics.gov.uk or telephone 0116 305 6743.

**Children with Medical Needs**

The Local Authority must arrange suitable full-time education (or as much education as the child’s health condition allows) for children of compulsory school age who, because of illness, would otherwise not receive suitable education.

For further information contact:
Medical Needs Co-ordinator, School Admissions & Pupil Services,
County Hall, Glenfield, Leicester, LE3 8RF.
Telephone: 0116 3050262. Email: medicalneeds@leics.gov.uk
As a Parent

As a parent how can I help support my child in school?

- Support your child’s school by signing the home/school agreement
- Read the prospectus, annual Governor’s reports and regular newsletters to keep fully informed about what is happening in school
- Attend parents’ evenings and curriculum workshops wherever possible in order to support your child’s learning
- Support school activities such as class assemblies, sports day and concerts
- Support your child’s learning at home and, as they get older, provide a quiet space for homework
- If you have time, offer help with a variety of activities, such as cookery, educational visits and swimming
- If available, support the Parents’ Association
- Consider standing as a Parent Governor and becoming involved in the management of the school
- Vote in the election of Parent Governors and support the candidate with your views
- Make every effort to get to know the Headteacher and staff so that you feel comfortable in airing your views or concerns
- Try to work harmoniously with the school as your child will benefit from close collaboration between home and school.

#### School Type: Community, Foundation, Trust, Faith, Academy, Free and Studio Schools.

From September 2011 Leicestershire have a number of academy status schools. This means they will have opted out of LA control.

The majority of schools in Leicestershire are community schools with the Local Authority being the admitting authority. For Foundation, Trust, Faith, Academy, Free and Studio Schools the LA is not the admitting authority; it is instead the school themselves.

Regardless of the admitting authority admission applications must be made through the LA, using the LA’s common application form. For community and voluntary controlled schools, the admissions criteria used is on page 8. For all others please see the particular school’s admission criteria available on their website.

In relation to school appeals, the LA through the County Council’s Legal Services conduct the appeals process for Community Schools. Foundation, Trust, Faith, Academy, Free School, and Studio Schools in some instances engage the services of the LA to run their appeals, however, most run their own appeals processes. For Voluntary Aided, Foundation or Trust Schools refer to the schools own admission criteria available on their website.

#### Disabled Access

- **Pathway School** - Ensures that wheelchair users and pupils with mobility problems start in a partially accessible primary school that feeds into a partially accessible high and upper school.

- **Partially Accessible** - When wheelchair users and pupils with mobility problems will be able to access all areas of the curriculum, but not necessarily all of the school building.
