Dear Sir/Madam,

**LEICESTERSHIRE MINERALS AND WASTE LOCAL PLAN:  
CONSULTATION ON PROPOSED CHANGES**

The County Council has published Proposed Changes to the pre-submission draft Minerals and Waste Local Plan for Leicestershire. The Proposed Changes have been prepared following representations received on the draft plan consultation which took place last year.

This consultation provides you with an opportunity to comment on the Proposed Changes. After consideration of any representations received, the Local Plan will be formally submitted to the Government for an independent public examination.

**Please note** that representations must relate to the proposed changes **only** and not to any other part of the Local Plan. All representations received (including those already made on the pre-submission draft Plan) will be placed before the Inspector appointed to examine the Plan.

The Proposed Changes and a response form can be viewed on the Council's website at [www.leicestershire.gov.uk/environment-and-planning/planning/minerals-and-waste-local-plan](http://www.leicestershire.gov.uk/environment-and-planning/planning/minerals-and-waste-local-plan) together with supporting evidence including an updated Sustainability Appraisal of the emerging policies and proposals.

The closing date for receipt of any comments you wish to make is **17:00 on 22<sup>nd</sup> December 2017**.

Yours faithfully,

John Wright (Team Leader, Planning)
