STATEMENT OF REASONS

LEICESTERSHIRE COUNTY COUNCIL
ROAD TRAFFIC REGULATION ACT 1984 – SECTION 23
ZEBRA CROSSING, BOROUGH OF HINCKLEY AND BOSWORTH
LANCASTER ROAD, HINCKLEY

The Leicestershire County Council in partnership with Hinckley & Bosworth Borough Council proposed a zebra crossing on Lancaster Road, near to its junction with Station Road. The aim of this was to improve pedestrian access to local amenities and provide a safer crossing point in this area.

Unfortunately, this could not be implemented safely due to issues with buried services. We have therefore been working to identify a new location.

We are pleased to advise that a suitable location has now been identified a short distance along Station Road, outside The Crescent as shown on Drawing No. 4332.004/H1/1/1B attached.

The existing uncontrolled crossing point at the junction of Station Road will remain in place for those that wish to continue to use it. Some minor modifications will be needed to the kerb line at the crossing point and where it meets the existing loading bay as shown in blue on the attached drawing.
