Dear Sir/Madam,

**CONSULTATION ON LEICESTERSHIRE MINERALS AND WASTE
LOCAL PLAN PRE-SUBMISSION DRAFTS OF JULY 2016 AND
NOVEMBER 2017**

In informing you of and inviting comments on the Pre-Submission Minerals and Waste Local Plan for Leicestershire in July 2016 and the subsequent Proposed Changes to the Pre-Submission Plan in November 2017, there was unfortunately an oversight in the communication. This was that the notification failed to explain that any representations made could be accompanied by a request to be notified at a specified address of:

1. the submission of the plan for independent examination,
2. the publication of the recommendations of the inspector appointed to carry out the examination, and
3. the adoption of the plan.

Notwithstanding this omission, the County Council had in any event intended to notify all persons and bodies who made representations on the Pre-Submission documents of these stages in the Plan's progress. If, however, you do not wish to be notified, then we would be grateful if you could let us know, by replying either by email to: planningcontrol@leics.gov.uk, or in writing to: Planning, Historic and Natural Environment Group (Chief Executive's Department), County Hall, Glenfield, Leicester, LE3 8RA.

Yours faithfully,

John Wright (Team Leader, Planning)
