**PROPOSED EXPERIMENTAL PARKING SPACES**

**STATEMENT OF REASONS**

Following several complaints regarding footway parking obstructing the path for pedestrians in this area it is proposed to introduce a parking bay marked by signs and white lining.

The parking restrictions currently in place do legally prevent footway parking and are legally enforceable, however currently an informal agreement to allow parking is in place, this would be removed as part of this proposal as the footway parking currently taking place can obstruct visibility at the roundabout and the parking manoeuvres undertaken are also unsafe for example reversing onto the mini roundabout.

This proposal will provide three footway parking spaces at a combined length of 15 metres.

As part of this proposal additional parking spaces have also been created on carriageway on Wood Street
