All County roads that are assigned the national speed limit have been reviewed to identify those with an accident rate higher than the national average. As a result of this review Oakham Road and Somerby Road have been identified to have a total number of accidents above the national average. Therefore, in order to increase general safety and reduce the accident rate, the County Council proposes to reduce the speed limit from 60mph to 50mph.
The Leicestershire County Council ("the Council") in exercise of its powers under Sections 5 and 84 of the Road Traffic Regulation Act 1984 ("the Act") and of all other enabling powers, after consultation with the Chief Officer of Police in accordance with Part III of Schedule 9 to the Act, hereby makes the following Order:-

1. This Order may be cited as "The Leicestershire County Council (Oakham Road and Knossington Road in the Parish of Somerby and Somerby Road in the Parish of Knossington and Cold Overton, in the District of Harborough) (Imposition of 50 mph Speed Limit) Order 201 "

2. The Order shall come into force on the day of 201

3. No person shall drive any motor vehicle at a speed exceeding 50 MPH on the lengths of roads as specified in the Schedule to this Order.

4. The plan annexed to this Order and marked drawing number P 636 / T 1 / 1 is for identification purposes only.
