EXPLANATORY NOTES

Background

1. On 18 July 2020 the Health Protection (Coronavirus, Restrictions) (England) (No. 3) Regulations 2020 (the “Regulations”) came into force. The Regulations were made under the emergency procedure set out in section 45R of the Public Health (Control of Disease) Act 1984.
2. The Regulations enable English local authorities to place restrictions on properties (both premises and outdoor spaces) as well as on events as a means of combatting the transmission of Covid 19. Unless the Regulations are revoked sooner, these powers continue until 17 January 2021.

The Prescribed Conditions

3. The Local authority’s powers to impose directions pursuant to the Regulations arise if certain prescribed conditions (the “Prescribed Conditions”) are met. The Prescribed Conditions are as follows:-

(a)that the giving of a direction responds to a serious and imminent threat to public health,

(b)that the direction is necessary for the purpose of preventing, protecting against, controlling or providing a public health response to the incidence or spread of infection by coronavirus in the local authority’s area, and

(c)that the prohibitions, requirements or restrictions imposed by the direction are a proportionate means of achieving that purpose.

4. In order to determine whether a direction is justified, Local Authorities are required to take advice from the Director of Public Health for their area. The Council may also consider evidence from the Local Resilience Forum, NHS Test and Trace, from Public Health England (PHE) and from other sources.

What will happen next

5. Following service of the notice the Council will notify the Secretary of State⁷ as soon as reasonably practicable. The Council will also give notice of the Direction to adjacent authorities⁸.
6. The Council may also publish the making of a direction in order to give notice to persons who may be affected by the direction.⁹ The making of a direction will be published on the Council’s website¹⁰.

⁷ Regulation 2(2)

⁸ Regulation 11(2)

⁹ Regulation 10(2)

¹⁰ Regulation 10(2)(a)

Reviews

7. The authors of the Regulations were aware that the imposition of prohibitions, restrictions and requirements would likely have an adverse effect on commercial activity. With that in mind, the Regulation provides for frequent reviews of the necessity of any restrictions imposed.
8. Accordingly, the Council will review the necessity for the Direction at least once every seven days from the date of its imposition¹¹. Upon each review, the Council will make an assessment to determine whether the Prescribed Conditions continue to be met.
9. If the Prescribed Conditions are no longer met, then the Council will either revoke the original Direction or issue a revised direction with amended restrictions. Again, the Council will consider the advice of the Director of Public Health in Leicestershire in respect of the appropriateness of revoking any direction.

Appeals & Representations

10. The Regulations allow persons affected to appeal, by way of complaint, against the terms of a direction to the Local Magistrates Court. The Council would expect to act in accordance with the directions of the Magistrates Court at all times up until the expiry of the Direction.
11. The contact details for the Leicester Magistrates Court are as follows: - Leicester Magistrates' Court, 15 Pocklington's Walk, Leicester, LE1 6BT (Email: - leicenq@Justice.gov.uk / Phone number:- 0116 255 3666).
12. It is also open to affected persons to make representations to the Secretary of State DirectionNotification@dhsc.gov.uk. The Secretary of State has a duty to consider such representations as soon as reasonably practicable. If the Secretary of State considers that the Prescribed Conditions are not met, he can stipulate that a direction be revoked or replaced with a compliant direction.
13. Addressees who are unclear as to the exercise of their rights of appeal or their rights generally should take their own independent legal advice.
14. You are still required to comply with this direction pending the outcome of any appeal to the Magistrates Court or the Secretary of State. You may wish to obtain independent legal advice should you seek to pursue an appeal.

Enforcement

15. Both the Police and Local Authorities are authorised to enforce the Regulations. The police are, if necessary, entitled to use reasonable force in the exercise of their powers. Police can exercise their powers of arrest without a warrant.

¹¹ Per Regulation 2(2) of the Regulations.

16. A failure, without reasonable excuse to comply with the direction may amount to a criminal offence (per article 13(1) of the Regulations). In the first instance, enforcing authorities would expect to impose fixed penalties for any non-compliances. Non-payment may lead to a prosecution by either the local Authority or the Crown Prosecution Service.
17. Offences may be committed by corporation if an offence is committed with the consent connivance and neglect of an officer of that company.
18. Any queries regarding this notice should be directed to the Trading Standards Department of Leicestershire County Council for the Attention of Karen Retallic. Telephone queries should be made on the following number: 0116 3056548 or mobile 0759 344 5431] and any email enquiries should be sent to karen.retallic@leics.gov.uk.
