At the current time it is not possible for us to say how long our libraries will be closed. Please look on our [website](#) for updates or follow us on social media:

Are the Community Managed Libraries closed?

Most Community Managed Libraries have closed, but not all. This is changing daily, so please check their websites for up to date details.

How do I return my books and other items?

There is no need to return your library items as all items currently on loan have had their return dates extended until 4 July 2020. We will review this date and extend it as necessary should libraries remain closed.

How do I renew my books and other items?

There is no need to renew your library items as all items will now not be due back to the library until 4 July 2020. We will review this date and extend it as necessary should libraries remain closed. You can renew your loans online if you wish on our website www.leicestershire.gov.uk/libraries

Will I have to pay extra for audiobooks, playaways or DVDs that I have out on loan?

No, any additional charges for these items will be waived when they are returned.

Can I still put a hold / request any library items?

No, as all libraries are closed we cannot access the stock so unfortunately no requests will be processed until libraries reopen.

How do I collect an item I have already put a hold on?

Unfortunately, we will not be able to provide access to items that customers have already put on hold. We will keep these for you and you will be able to pick them up when libraries reopen. You can cancel your holds online if you wish.
