## INFORMATION FOR EMPLOYERS

### Earnings thresholds for workplace pension reform effective from 6 April 2020

The Department for Work and Pensions (DWP) has announced the annual earnings thresholds for 2020-2021. The figures that the Government will use for Workplace Pension Reform (WPR) compliance for the tax year beginning 6 April 2020 can be found on this website:

Reference to these amounts appears in the letter, known as '**Letter F**' which all Employers must send to eligible new LGPS starters when they commence pension scheme membership, along with a copy of the Membership form. A permanent updated template of this letter is also available for you on the 'Auto enrolment guidance' section of the Employers pages on this website.

**Action for all employers:** Please check that you are sending the current versions of both documents to new eligible starters. Replacement copies of Membership forms can be ordered by e-mailing: [pensions@leics.gov.uk](mailto:pensions@leics.gov.uk)

The Pensions Regulator's website can be found here: <http://www.thepensionsregulator.gov.uk/automatic-enrolment.aspx>
