

Going

back to

school

part

time

School

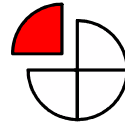

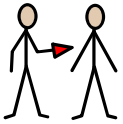

will

open

again

after the

holidays.

You

will

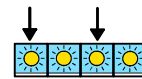

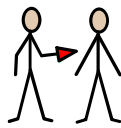

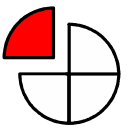

go back

to

school

part

time.

Part

time

means

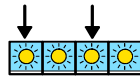

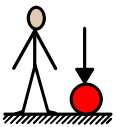

you

will

go to school

some days

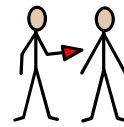

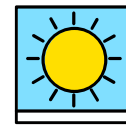

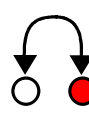

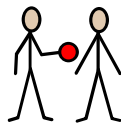

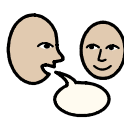

and

stay at

home

some days.

School

will

tell

your

parents

which

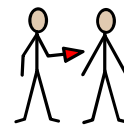

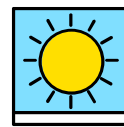

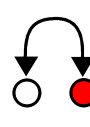

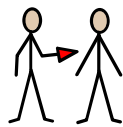

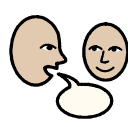

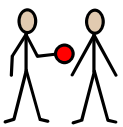

days

you

will

go to school.

Your

parents

will

tell

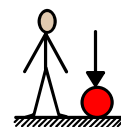

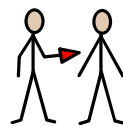

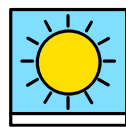

you

which

days

you

will

go to school

and

which

days

you

will

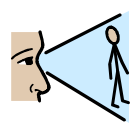

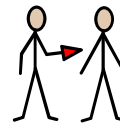

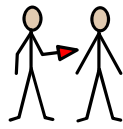

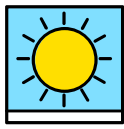

stay at

home,

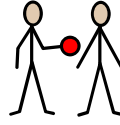

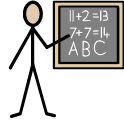

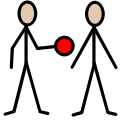

this is

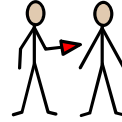

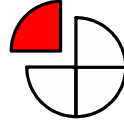

ok.

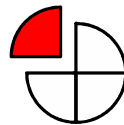

On the days you are at school you will see

your teachers and some of your friends.

Going back to school part time will keep you safe.

Going back to school part time is ok.
