## **Issue 9**

**6<sup>th</sup> March 2021**

## **Amended Redundancy Retirement Process**

Further to Employer Bulletin Issue 6 dated 23<sup>rd</sup> February 2021, the revised process for redundancy and efficiency retirements, including updated forms, has been posted to the [Employer website](#).

Note that I have been made aware of the government's intention to introduce legislation that is likely to have some effect on redundancy benefits later this year. At this stage it is unclear when the legislation will come in or the extent of the changes, but I will provide a further update when more is known.
