Notice is hereby given in accordance with the Education and Inspections Act 2006 and The School Organisation (Prescribed Alterations to Maintained Schools) (England) Regulations 2013 that Leicestershire County Council of County Hall, Glenfield, Leicester LE3 8RF proposes to enlarge the premises and increase the capacity of the following school:

School	Capacity Increase	Admission Number Increase	How additional pupils will be accommodated
DFE No. 3082 St Botolphs Church of England Primary School, Loughborough Road, Shepshed, Loughborough LE12 9DN	280 to 630 from August 2021	40 to 90 in stages which are phased from 40 to 60 places in August 2021 and further increases inline with progression of housing developments to 90 places	Transfer of the current school to the former Shepshed High school building which will be reconfigured for primary pupils. The building is within the same campus as the existing school site.

The increase to admission numbers will be in a staged programme. Initially a 60-place limit will be set which will apply to the reception year group only, with the increased admission numbers then feeding through year on year.

When demand from the new Shepshed housing developments dictates, the reception year group admission number will be increased to 75 then to 90. The school, where applicable, will allow older pupils to seek admission up to their published admission numbers in other year groups.

It is proposed that the increases to the admission numbers will initially apply to any admissions into the reception year group commencing on or after Monday, 23rd August 2021.
