

Vehicles requiring a permit to visit a Recycling and Household Waste Site

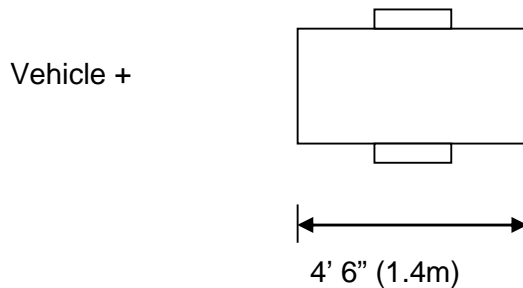

Any customer using any type of commercial vehicle, van or a car with trailer attached which is 4'6" long or more, is required to have a Waste Permit.

The restrictions set to define 'commercial vehicle' and 'trailer size' are LCC set, not DVLA.

No vehicles weighing more than 7.5 tonnes are permitted at any of the waste sites.

The following vehicle types require permits :

1. Any vehicle with a trailer or horsebox that is 4ft 6in (1.4m) or over from 'frontboard' to 'backboard';

2. Box Style Van or larger (e.g. Transit, Mercedes Sprinter)

3. Small Vans (e.g. Escort Van, Peugeot Expert Van)

4. Car Derived Vans (e.g. Fiesta Van, Peugeot 206 Van)

5. Pick Ups (e.g. Nissan Pick Up, Toyota Hilux etc)

6. Tipper Vehicles (e.g Transit Tipper, Nissan Cabstar etc.)

7. Double Cab Pickups or 4x4s with small pick up backs (e.g. Ford Ranger, Mitsubishi L200)

Please note that these types of vehicle can have hard tops (as shown) but still require a permit.

8. 'Farm' 4x4s (e.g. Landrover 90) and/or with inward facing seats

9. Mini Buses with inward facing seats
