Dear Sir or Madam

Formal Written Objection - The Leicestershire County Council (A606 North And East Melton Mowbray Distributor Road) Compulsory Purchase Order 2020

Please find enclosed formal objection on behalf of our client, Western Range Ltd, [REDACTED] and associated parties, in regard to the A606 North and East Melton Mowbray Distributor Road Scheme.

We believe ourselves to be the duly authorised agents to the statutory objectors to the Scheme and ask you to confirm, as soon as possible, if you feel that there is anything legally or administratively wrong with the objection or if you require it in any different form.

We object to all Orders which adversely affect our clients' property and/or interests. For the avoidance of doubt, but not necessarily to be comprehensive, these include **THE LEICESTERSHIRE COUNTY COUNCIL (A606 NORTH AND EAST MELTON MOWBRAY DISTRIBUTOR ROAD) COMPULSORY PURCHASE ORDER 2020** and **The Leicestershire County Council (A606 North and East Melton Mowbray Distributor Road Classified Road) (Side Roads) Order 2020** as well as any proposals for diverting and amending the private rights of access in the vicinity.

It is particularly difficult for busy citizens affected at a time like this to predict every nuance of impact. It will be entirely unjust if it were to be held against our clients further down the line that we failed somehow to predict each order, or element thereof, which need to be objected to.

We are happy to enter into negotiations with the would-be constructing or acquiring Authority and indeed would welcome such negotiations with a view to overcoming our objections in advance of Public Enquiry.

It is understood that such objections must not go to matters which can be dealt with wholly by compensation, but there may well be aspects where accommodation works could assist to mitigate the potential claim.

I trust this is acceptable and look forward to hearing from you.

Yours faithfully
