

VOLUNTEERING

GoLearn! is looking for enthusiastic and patient individuals to provide 1:1 support to adult learners studying English, Maths, ICT, ESOL and other courses.

Our learners' study at all levels, from entry level to GCSE at venues across Leicestershire including Enderby, Coalville, Melton Mowbray, Thurmaston, Loughborough, Market Harborough and Wigston. We also offer non accredited courses for learners looking to support and maintain their wellbeing, learn a new skill, and meet new people.

Can you give a few hours a week to help someone achieve their goals?

You can volunteer in a regular weekly class, supporting a learner online or on a one-off course. Volunteers can donate anything from 1hr a week; scheduled around their life and work. Training can be provided where necessary but only basic skills are required.

Volunteering will help you:

- Build up your CV for your next job role.
- Take your next steps in education.
- Improve your confidence and social skills.
- Get valuable classroom experience.
- And give back to your community.

For more details or to express interest please contact us on FREEphone 0800 988 0308 or email us at adultlearning@leics.gov.uk. To see more of what GoLearn offers, visit us online at www.leics.gov.uk/golearn.
