

For the attention of: Whom it may concern.

B590 Rugby Road/Hawley Road and Brookside Improvement Scheme

Eurovia have been appointed by Leicestershire County Council to carry out improvement works at the B590 Rugby Road/Hawley Road junction with Westfield Road, and the B4109 Rugby Road junction with Brookside.

As the dedicated Public Liaison Officer assigned to the scheme, working on behalf of Eurovia Contracting and our client, Leicestershire County Council, I will be in regular contact to make sure that you know what is happening and have a point of contact. Information in regard to the works is also shared in the local press. Work at the Brookside Rugby Road junction work will begin on the Tuesday 30th August 2022 between 07.30am and 4.00pm.

To enable us to carry out work safely, traffic management (lane closures, barriers etc) will be used throughout the duration of the works. Traffic management will remain in place and a speed restriction will be implemented throughout the works for the safety of our workforce and all road users.

Our experienced onsite teams are aware of the impact that road improvement schemes have on road users, residents, businesses, emergency services and members of the public. It is our priority to work closely with everyone involved to ensure that you are well informed throughout the scheme and that we minimise disruption as far as possible. Whilst hand delivered letters are used to contact those immediately surrounding the works a 'Construction Update Report' we be made available at regular intervals, and will include updates of any changes to the road layout, such as lane closures/lane changes/surfacing works etc.

The updates are available to all interested parties. Please forward your email contact details if you wish to receive the updates or give me a call on the number below and I will add you to the schedule. In line with Data Protection guidelines, (GDPR) your information will only be available to me and will not be shared with any third party. Once the scheme is completed your information will be deleted.

Regular media updates will be published by Leicestershire County Council, and information can be found at www.leicestershire.gov.uk/roads-and-travel/road-safety/rugby-road-and-hinckley-town-centre-improvement-scheme , www.streetworks.org.uk

Should you have any queries regarding the scheme, I will be based on site and can be contacted by email joanne.plews@eurovia.co.uk or via the telephone number 07768 940 187.

We thank you in advance for your patience and cooperation during the upcoming works.

Joanne Plews
